Council blocking development access

MEMBERS of Seaton Town Council have taken yet another step towards opposing the licence for access across Windsor Gardens.

The proposal to grant access across the gardens to allow development between Fore Street and Queen Street was strongly opposed by councillors at last month's full council meeting.

Councillors are in the process of consulting with the public to find out how the development and site access will directly affect them.

Councillors have opposed the proposal for access based on three major grounds.

The first is the view that the traffic

By Laura Goldsbury Noy
laura@pemedial.co.uk

arrangement for access to and from the site is not physically possible.

Developers, Milkbeare Properties, say that during construction works there will be approximately one vehicle no bigger than 16 tonnes passing through a day.

However there is no clear number as to how many vehicles will enter the site during extensive site preparation works and what type and size these lorries will be.

The traffic plan states that lorries will stop in Cross Street and then reverse into the site for loading and unloading and that

the parking bays in Cross Street will not be affected. Despite this, consultation shows that lorries of this size are unlikely to find this an easy process, and that drivers would prefer to park on Cross Street to unload than attempt to reverse.

The financial basis for the agreement has also been an issue for town councillors who say that the plans are flawed as they only reflect the cost of rebuilding or underpinning a wall, which is already in a state of disrepair and is the responsibility of the EDDC.

Councillors feel that there is a scope to increase the value of the agreement to EDDC and hence for a substantial amount of compensatory money to be spent in Seaton.

Town councillors also oppose access as they see no benefit to Seaton in return for the significant disruption the development will cause.

The work to build 13 dwellings, an access road, parking, turning areas and a cycle track will take 12 months to complete.

In return for the temporary access, the developer will be rebuilding the falling L-shaped wall in the corner of the Windsor

Gardens plot as well as regenerating the gardens, replanting trees and shrubs and renovating the rose bed.

However, there were already plans to improve the gardens ready for the installation of a memorial to the role of US Servicemen during World War Two, so, again, councillors feel that there is no additional direct benefit to the town.

EDDC's Deputy Portfolio Holder for Environment, Councillor Phil Twiss, will be attending the next full council meeting to continue discussions in regards to the proposed access.

As the EDDC Cabinet has not yet confirmed the licence, the town council feel that there should be local discussion before the decision is reached, as they feel let down by the proposal.

Local businesses, residents and the emergency services have all been consulted in relation to the licence and letters regarding the proposal have been sent out, seeking their opinions and inviting them to the next council meeting on October 8th.

Councillors are expecting a large turnout at the meeting, which will be open to all the public.

Festival is set to return

MEMBERS of the Seaton and District Chamber of Commerce are pleased to announce that there will be another Christmas festival this year.

The town will play host to the Christmas festival activities and late night shopping on Friday, December 7th.

The Seaton and District Chamber of Commerce are looking forward to the event and hope many will once again support the celebrations.

Car catches fire outside supermarket

A CAR caught fire and was badly damaged in the Tesco car park in Seaton.

Firefighters were called just after 11:15am on Thursday, September 20th, and a spokesperson for the fire and rescue service said: "The vehicle was severely damaged by fire and was extinguished by fire crews using two breathing apparatus wearers and two hose reel jets.

"The cause of the fire is believed to be accidental." Photo courtesy of BRIAN RAINE

First for Ian

THREE Honiton Running Club members took part in last weekend's Bristol Half-Marathon over a relatively flat course that gave the potential of producing personal best times.

The race starts outside Bristol and takes the runners out of the city to Clifton. The runners run under the famous Clifton suspension bridge and out along the River Avon.

Both Ian Stewart and Graham Reeves managed to finish in under 90 minutes. Ian finished first in 87 minutes 23 seconds with Graham not too far behind finishing in 89:43 which is a pb of over 2 minutes.

Roger Saunders' time of 1:43:11 was fairly slow for him due to the lack of training but he enjoyed the run.

Honiton RC's very own race is coming up soon on Sunday, October 14th in the form of 'The Cotleigh Center'. There are three distances on offer: a 5k, a 10k and a 3k fun run which is mainly for children aged nine and over although younger children can run with an adult.

This is an opportunity for everyone to take part, irrespective of running ability. **See page 63**

Relief for flood victims at last

FLOOD-STRICKEN residents in Musbury Road, Axminster, have been promised action.

Devon County Council (DCC) hopes to publish its Flood Investigation Report for the Devon Summer Floods in November, but the authority has already confirmed that work will be carried on the Purzebrook culvert.

Houses in what is known as the Musbury Road dip were flooded again overnight between September 23rd and 24th.

Among those affected were Morrison and Margaret Brown. They have been able to stay in their house but have once again been forced to rip out water-damaged carpets and start a home drying operation.

Speaking to *Pulman's View* a few days after the flooding, Mr Brown said: "Enough is enough."

Since then, DCC has confirmed that work will be carried out.

Axminster mayor Andrew Moulding, who is also a county councillor, said: "There is a plan for almost immediate action."

A DCC spokesperson subsequently said: "DCC has agreed to replace an old section of stone culvert on the Purzebrook and these works are due to commence shortly."

"A debris grill is also to be installed upstream of the Purzebrook culvert and negotiations have taken place between the district council, town council and landowners to agree this."

"DCC Flood Risk Management are funding these works on the Purzebrook."

Speaking about Axminster as a whole, the spokesperson said: "We are preparing a Flood Investigation Report for the Devon Summer Floods of which Axminster will be included."

SEATON

Council steps up access opposition

MEMBERS of Seaton Town Council have taken yet another step towards opposing the licence for access across Windsor Gardens.

The proposal to grant access across the gardens to allow development between Fore Street and Queen Street was strongly opposed by councillors at last month's full council meeting.

Councillors are in the process of consulting with the public to find out how the development and site access will directly affect them.

Councillors have opposed the proposal for access based on three major grounds including the traffic arrangement for access to and from the site being not being physically possible. They claim that financially the plans are flawed and that they can see no benefit to Seaton.

EDDC's Deputy Portfolio Holder for Environment, Councillor Phil Twiss, will be attending the next full council meeting to continue discussions in regards to the proposed access.

From the editor's chair Tom puts us to shame...

WHENEVER I watch an event like the London Marathon or the Great North Run I always get a fit of the guilts.

I once completed a 50-mile sponsored walk when I was a youngster but I've never been tempted to do anything so extreme as a marathon, although I was a pretty decent distance runner at school.

Not so long ago I walked for 12 hours non-stop in a Relay For Life for Cancer Research UK - but to be honest I've never been quite the same since!

I have huge respect, therefore, for those who put themselves through the pain barrier to raise money for charity at those big marathon events.

So let's all put our hands together and give a big round of applause for Membury's Tom Scriven who celebrated his 80th birthday over the weekend by running 80 kilometres in 24 hours, barefoot, for the Devon Air Ambulance.

◆ ONE of the reasons *Pulman's View* is so popular among readers is the dedicated news page we pub-

lish for all the main towns in East Devon.

To make this financially feasible, our dedicated town coverage in published on what we call "change pages", ie pages that appear only in the town editions.

One downside of doing this is that some important stories are not seen in all our editions. This is resolved to a degree by dedicating this page to a matrix of the top stories from across the area.

But there is one easy way to access all editorial content and that's by making your way to our websites where all edition pages are uploaded every week. All you have to do is go to www.viewonline.co.uk and click onto the relevant edition from the carousel at the top of the home page.

With 2,000 unique visits a day, people from all over the world use this facility to keep in touch with the events in their home town in East Devon.

Each East Devon town also has its own website under the town name (ie axminster-today.co.uk) domain name.

COLYTON/COLYFORD

Voting 'fair for all' - council chairman

THERE was plenty of opportunity for Colyford residents to make their views known in the recent £22,500 sporting facility vote, according to the chairman of Colyton Parish Council.

Councillor Andrew Parr has hit back following complaints from Colyford resident Anne West, as reported in last week's *Pulman's View From Colyton*.

Mrs West claimed that the recent vote on how best to spend £22,500 of Section 106 money, offered by local developers for sporting facilities, was unfair to Colyford.

Following the announcement that a skatepark in Colyton had won the most votes, Mrs West emailed East Devon District Council officers complaining of the "unfair voting system" and said it was "no use" saying that Colyton and Colyford were one parish, they were "completely separate communities".

Councillor Parr has written to the *Pulman's View* with a reply to Mrs West's complaints, stating that it was quite possible for Colyford residents to win a majority vote.

He wrote: "There were two opportunities to vote: one in Colyford and one in Colyton. Both were well publicised and residents could vote at either event, as long as they only voted once."

"The two communities have a long history of co-operation, as was shown by the parish council voting £9,000 to help with the repair of Colyford Memorial Hall, and Colyton Feoffees lending £15,000 to help with the roof of the hall."

SIDMOUTH

Donkey sanctuary 'biggest in world'

THE DONKEY Sanctuary in Sidmouth has been recognised as the world's largest donkey sanctuary by Guinness World Records.

The international animal welfare charity is listed in the 2013 edition of Guinness World Records in recognition of its work providing sanctuary to rescued donkeys and mules.

Suzi Cretney of The Donkey Sanctuary said: "The Guinness World Records is an internationally recognised institution, many of us grew up with the book being a list of the biggest and best, and we're thrilled that they have chosen to recognise The Donkey Sanctuary."

"Since 1969 we have provided a sanctuary for over 15,000 donkeys and support projects in 28 countries providing veterinary treatments to sick donkeys and mules and education programmes for communities that rely on their donkeys to carry out essential tasks such as fetching water."

HONITON

New start for nightclub venue

HONITON'S newest club venue is gearing up for its opening night on Saturday, October 6th.

Paul Wrigglesworth, who has many years in the nightclub industry under his belt, is the man behind the refurbishment and rebranding of The Boutique, formerly the Pitt Club, on Northcote Lane.

Together with the club's manager Kevin Mullet, Paul hopes to transform the nightclub industry in the town and give back to the local residents by opening up the venue to be used for community events.

He said: "We have big plans for The Boutique. A lot of work has gone into refurbishing the venue and the whole place has been transformed, with new decor, floors and bar. At weekends the bar downstairs will host live bands on Fridays and be a regular dance club on Saturdays."

HONITON/ OTTERY St MARY

Mums to swim the channel

A TRIO of local mums are gearing up for the challenge of a lifetime when they attempt to swim the channel for charity.

Calling themselves the 'East Devon Babes' - Kate Jackson from Wiggaton near Ottery St Mary with Jo Billing and Kathy Anzuino from Honiton are training hard in order to swim the channel in a relay next July.

Kate was first inspired to do a solo challenge but after meeting her two swimming companions and enjoying their times together, she asked if they might like to do a group relay channel swim.

As was expected the water loving ladies couldn't say no and since have been training at least twice a week just off of Sidmouth's shores in order to build up their strength and mentality for the challenge.

Kate told the *Pulman's View*: "I love the freedom of the water, especially in the winter when there is nobody else out there as it is very peaceful."

"All three of us are mums and we can have a hectic lifestyle, so it is lovely to have some calm and enjoy each other's friendship and support out in the water."

"For me, being out in the water is magical and beautiful. It is my happy place out there."

The three challengers have picked the Sidmouth lifeboat as their chosen charity, hoping to raise money at fundraising and awareness events before their channel swim, rather than obtaining sponsorship, as they know that swims are regularly called off due to bad weather or health and safety.

Changes to Racial site development blocked

A 90-apartment development in Seaton will not go ahead after the developer failed to have planning conditions removed.

Axe Riverside Company agreed to provide 36 units of social housing, a contribution for loss of employment land, a contribution towards recreational facilities and to carry out work on a walkway and quay when getting outline planning permission for 90 apartments on the former Racial site at Seaton Quay.

But, as reported last week, the company has since approached East Devon District Council (EDDC) to have some of the conditions removed.

Axe Riverside Company blamed the current economic climate and asked if the requirement for social housing and financial contributions could be removed in exchange for a £500,000 payment.

EDDC officers were sympathetic and said in a report: "The applicant's offer was considered by the District Valuer to be reasonable."

Officers recommended approval, but councillors sitting on EDDC's Development Management Committee were not impressed.

Members of the committee met on Tuesday, September 18th, and an EDDC spokesperson said: "Members could not accept that the proposed development should proceed without any affordable housing provision, given the acute affordable housing needs in the town."

"They were also keen to avoid setting a precedent that might encourage developers to seek to remove the affordable housing element from other schemes - with the obvious threat this would pose in terms of undermining our affordable housing strategy."

"This was not a formal application for planning permission. It was a written request from the developers, who cannot formally apply to vary a Section 106 agreement until five years have elapsed from when it was signed. There is therefore no formal decision notice and no right of appeal."

In an e-mail to district councillors after the meeting, Axe Riverside Company's planning consultant, Joseph Marchant, expressed his disappointment by writing: "As a local I have to wonder why in this climate £3.3 million investment in the public realm is not heralded with great celebration?"

"I thought I heard that the water-fornt strategy for Seaton was part of boosting the economy and tourism appeal, is this not the case?"

"Would the £3.3 million in the new quay not have played its part? Would the other £500,000 that could have been used on the seafront also not have helped?"

"Or, what about the potential to use the £500,000 for employment space delivery at Harepath Road?"

"Would this not be a boost to the economy? Is there another route of obtaining £3.8 million of public works money for this town?"

"Also don't you think the total of £19 million (the value of the construction) would have been good for the local economy? Personally, I think it would have been a good boost."

"Personally, I also feel that 90 apartments would have housed people that would have spent money locally."

"I accept making some homes 'affordable' is necessary, but in the current climate the Government looks set to deliver this in some case through more appropriate means (government-backed deposits, etc)."

Osborne's leave Beer

A CLOTHING shop has upped sticks after more than 40 years in Fore Street, Beer, by relocating to Fore Street, Seaton.

A formal reopening and housewarming took place in the new premises on Monday, October 1st.

The story of Osborne's Menswear started when Tony Osborne and his wife Alma moved to Beer to take over a gents and ladies outfitter.

They moved to the village in 1968, formally taking over the business from Mr Woodgate in January 1969.

Before the move, both Tony and Alma worked in St Austell at the same branch of a firm called Hugh Wyllie's - Tony as a salesman and Alma as a cashier. But Tony was keen to run his own business, which is why the move to Beer came about.

The shop did well but the winter seasons proved a constant problem as the customer base declined.

Tony had been toying with the idea of specialising in bigger sizes for men after trying to buy a blazer in Exeter, only to find that the sleeves of the biggest size available came halfway up his arms.

In 1981, to test the waters, Tony put an advert in the Exchange and Mart (without telling his wife) advertising three or four items such as XL

shirts, pyjamas and underwear.

To make a long story short, the response was amazing, the shop's mail order business boomed and it was decided to close the ladies department to free up space.

Tony had to retire on doctors' advice in 1989 and underwent a multiple heart bypass operation.

Tony and Alma enjoyed 22 years of retirement before he lost Alma to cancer last year.

David and Sharon Bruce took over the business in 2001 with two of the long-standing employees, Andrew Smith and Michael Hartnell.

Speaking just prior to the relocation, Sharon said: "During the 11 years, changes have been made and to take the business forward, the shop in Beer will close at and a new shop will open in Seaton."

"We are thankful for the support and wonderful community spirit of Beer and adore the beautiful village of Beer."

"We previously had a warehouse in Seaton, so are looking forward to returning to our home town of Seaton."

Scouts back from Denmark

EAST Devon Explorer Scouts have just arrived back from the biggest international gathering of scouts in the world this year.

Fifty young Explorer Scouts from Devon along with a team of eight leaders arrived in Denmark for two weeks to enjoy the Danish Jamboree.

The group took part in a huge range of scouting activities and were given the chance to meet hundreds of scouts from all over Europe, making lifelong friends along the way.

The group also made such a good friend, that they have just arranged for Sofie Bartels Jensenius, an 18-year-old leader, to visit in November and experience British Scouting in Beer.

Explorer Scout Pippa Groves said: "The camp was such a life changing experience; I really miss not seeing my new scouting friends every day. The whole experience blew my mind."

Seaton Scout, Jasper Dommatt, added: "Before I arrived here, I didn't know a word of Danish whatsoever, but people have tried to teach me some during the week and it's been good fun."

"Everything gets done much quicker when we all work together and it has been good to create friendships across the borders."

Future looks 'bleak' for Feniton

FIGHT for Feniton's Future and East Devon District Council (EDDC) have been left shocked after losing a planning appeal.

A Planning Inspectorate inspector ruled last week that Wainhomes (South West) can build 50 homes on a site in Station Road, near Louvigny Close, Feniton.

The decision didn't go down well with Fight for Feniton's Future, its chairman describing it as a "tragedy for East Devon."

The developer had appealed EDDC's decision to refuse planning permission.

During the three-day inquiry in August, EDDC maintained that the proposal involved a site in the open countryside that had not been allocated for house building.

But in a ruling delivered last week, the inspector said that EDDC cannot show that it has a supply of land suitable for house-building to cope with the likely need over the next five years - so some new housing developments must be allowed.

An EDDC spokesperson said: "The importance of the so-called 'Five-year Land Supply' has always been an important consideration, but it now carries more weight since the government published its National Planning Policy Framework (NPPF) earlier this year.

"EDDC recently won appeals against refusal of permission at West Hill and Tipton - but these were before the new NPPF was in force."

EDDC's planning service will as-

sess the implications of the appeal decision on its current planning policy.

The council's Development Management Committee will receive a report on the appeal and what it could mean for future planning applications and appeals.

District councillor Andrew Moulding, EDDC's Cabinet member for Strategic Development and Partnerships, added: "This is most certainly a setback for us in terms of our desire to protect the environment and see new homes built in a controlled manner.

"We are well aware that new homes - especially affordable housing - need to be built and we are making ongoing efforts to convince some of our residents that saying no to new development is not an option.

"Blanket or widespread refusal only makes the council vulnerable to losing appeals - as in this case - or to receiving more applications for sites that we deem unsuitable.

"When we grant permission we are sometimes accused of not listening to towns and parishes. What people need to understand is that we can only refuse permission if there are sound planning reasons that we can defend.

"This case demonstrates just how thin that line can sometimes be."

The EDDC spokesperson added: "Land supply based on the way the council allocates parts of the district for housing development is a key part of EDDC's new Local Plan.

"This document has been in production for some years, but has not yet

been completed due to an exhaustive series of meetings and public consultations.

"Current planning applications therefore need to be considered by taking into account existing planning policy - and this is where the council was unable to convince the inspector that it has the necessary land supply.

"Despite the existence of a large housing allocation at Cranbrook, the inspector doubted that enough homes would be completed quickly enough to satisfy the urgent need for housing in East Devon."

The planning application had been opposed by pressure group Fight for Feniton's Future.

Chairman John Withrington said: "The village is still in a state of shock over the outcome of the inquiry.

"It is a tragedy not just for Feniton, but for East Devon.

"By finding for Wainhomes and agreeing with them that EDDC has not met its obligation of five years of housing land - an obligation EDDC has consistently and successfully defended in previous public inquiries - The Planning Inspectorate has opened the floodgates.

"In principle there's nothing to stop a rash of housing developments, including those previously refused, being forced through.

"Ottery is facing its own public inquiry about a proposed estate by Redrow. My personal view is that the decision about Feniton makes it look very bleak for the residents of that town."

Knowle rejected

ENGLISH Heritage has rejected an application to list EDDC's Sidmouth offices and the surrounding parkland as being of national interest.

In a covering note from English Heritage's Designation Team, its regional co-ordinator said: "The Secretary of State for Culture, Media and Sport has decided not to add East Devon District Council Building and Landscape, Knowle, Sidmouth to the List at this time. Additionally English Heritage has decided not to add the site to the Register of Parks and Gardens."

The application for 'designation' was made by opponents of the proposal to consider selling the site for redevelopment as part of a wider plan to move to new purpose-built offices in Honiton. In its report turning down the application, English Heritage says what remains of the original house and hotel does not demonstrate the high level of architectural design needed.

So far as the grounds are concerned, English Heritage says not enough of the original landscape design survives to warrant addition to the national register. It added: "A large part of the original garden has been lost through housing development."

Researchers traced the history of the council headquarters back to the early 19th Century, when it was a relatively small "Cottage Ornee" and a private residence. It was later extended to become a very large home and was then converted to become a hotel in the late 1800s. In the ensuing years, parcels of land were sold off and piecemeal development occurred in the 20th Century on the south-west and north-west areas of the garden.

In support of their contention that Knowle is not of sufficient architectural interest, English Heritage states: "Although the building retains some attractive internal features and some earlier external building fabric, overall it does not demonstrate the high level of architectural design needed for a hotel building of this date.

Village halls secure £55k

EAST Devon's village halls and community buildings have successfully applied for £55,000 of funding from the Community Council of Devon and East Devon District Council (EDDC).

The Community Grants Scheme is a fund that helps community buildings projects, with the Community Council of Devon offering grants of anything up to £20,000, with additional match of up to £5,000 from EDDC.

The funding has been put in place to help local village community buildings all around the county. Buildings eligible for funding can apply on the basis that they need refurbishments. This could include items such as the toilet facilities, kitchen facilities, roof repairs, heating and door fixtures and changes of a similar kind.

East Devon village halls have proved most popular within the scheme. The success of village halls within the district is very important as it shows a sense of community and the willingness to keep a communal area running for the local residents.

East Devon has found the scheme a major benefit as out of the 11 community organisations funded by the Community Council of Devon in the county, five were based in East Devon. Out of the £97,500 handed out in the whole County by CCD, £39,000 will be received by groups in East Devon. In addition, EDDC will be contributing £16,000.

The halls funded include:

- Whitford Village Hall - extension to the front of the hall and relocation of toilets
- Colyford Memorial Hall - replace existing roof and insulate, upgrade electrics
- Tipton St John Community Hall - create a new accessible entrance and lobby.

■ **CLIMBING:** Flamingo Pool manager marks the current level of money raised

Pool to close for essential work

ONE of Axminster's major leisure facilities will be partly closed from December 3rd.

The main pool at Flamingo Pool will have its liner replaced, and the closure is expected to last for three weeks.

The Hydro pool will be open during the early part of this period, but will close for a week from December 17th for maintenance.

As previously reported, Flamingo

Pool Liner Appeal was launched this summer, with a target of £55,000.

There is still a fair bit to go before the target is reached, but Flamingo Pool manager Steve Buxton said the work will go ahead regardless.

So far, the appeal has generated in the region £14,000 and Mr Buxton said: "The work has to go ahead. We are applying for grants and there might be the chance of

the liner being donated."

But donations would still be gratefully received and spare change appeal collection boxes are available from reception.

When opened in 1988, the main pool was one of only a handful of stainless steel pools in the country.

The design means any underground problems can be spotted easily and the pool itself is lined and not tiled.

■ **HAT-TRICK OF CHEQUES:** Show organiser Sara Leat with Amanda Foster (Axminster Arts), Helen James (ARC), Huda Alsedani and Natalie Williams (both Axminster Playgroup)

Show's fundraising hat-trick for groups

A ROYAL variety show in Axminster generated a total of more than £1,000 for three groups based in the town.

Sara Leat was in charge of a multi-group set-up, which performed the show as part of Jubilee

celebrations earlier this year.

Each ticket gave the holder the chance to vote for a charity to receive part of the proceeds, and the winners were announced on Wednesday, September 18th.

Axminster Playgroup received

£308, counselling service and charity ARC received £446.50 and Axminster Arts landed £247.

Representatives of the three organisations praised show organisers and those who had voted for them when collecting their cheques.

Busy day for Beer councillors at open day

BEER parish councillors enjoyed a busy encounter with villagers when they held a parish council open day.

The event held at the Mariners Hall attracted many through its doors and aimed to provide a service for residents in Beer to come and discuss important issues in the village.

The main event of the day was the chance to vote for Section 106 sports equipment for the village, with three different arrangements of outdoor gym equipment to choose from.

Many votes were cast throughout the day and villagers were given the opportunity to voice their opinions and concerns on the proposed outdoor gym at Jubilee Gardens.

Votes and a final result will be approved at the parish council meeting on October 2nd.

■ THE Seaton Neighbourhood Beat Team are holding surgeries on Monday, October 8th in The Square, Seaton and Farway Village Hall car park.

PCSOs Chris Bolsover and Mike McGauley will be available in Seaton from 10am-11am and in Farway between 12:30pm and 1:30pm.

Residents are invited to attend and discuss any concerns you may have.

In the event of bad weather, the Seaton surgery will be held in the Community Resource Centre, Fore Street (near the Town Hall).

By Laura Goldsbury-Noy

A parish council surgery was also held for villagers to speak in detail about issues affecting them directly, with parking and restricted mobility topping the conversation.

Police Community Support Officers also joined in the open day, offering security services such as property marking on items such as bikes, laptops and phones, as well as arranging home visits to security mark larger items such as heavy garden items.

Devon and Cornwall Police Community Support Officer, Chris Bolsover, said: "It has been a great morning to meet with some of the residents so that they can get to know us and see us as people who can be approached and will listen."

"It has been great to give out advice, as well as property mark a lot of valuable belongings, and even though crime is low here in Beer, it keeps villagers prepared and aware of crime."

Testudo Players take us down the yellow brick road

SEATON Testudo Musical Players went off to the see the wizard when they staged a spectacular production of *The Wizard of Oz*, writes **LAURA GOLDSBURY NOY**.

Opening with an outstanding vocal performance of 'Over The Rainbow' by young Jessica Hill as Dorothy Gale, the show captured the magic of the well-known and much loved musical.

Full of colourful costumes, humour, pathos and the delights of the classic story, the musical players took to the stage and had the audience captured from the word go.

Stealing the show was the four young principals, with Jessica Hill, Alex Hill (Lion), Cai Sutherland (Tinman) and Ben Oyo (Scarecrow) all bringing to the stage an air of professionalism, beautiful vocals and acting of a standard you would expect from the more senior members of the group.

As Dorothy retrieves her best friend Toto, played by the adorable and very much well behaved Lakeland Terrier Mollie, her encounters with her new friends are just as magical as I remembered them as a child.

First the Scarecrow, with the brilliant Ben Oyo prancing and stumbling around the stage in an awkward but extremely funny fashion. Next the Tinman, in his shiny silver costume, with Cai Sutherland capturing the staggered robotic moves and then the Wild Forest with Alex Hill as the Lion, with real warmth of character shining through.

All four of the main cast had incredible chemistry and I soon felt myself sucked into the world in which they lived, giving the original film and any other performance I had seen a run for its money.

A favourite for me was Dorothy's entrance into Munchkin land, with a spoonful of fairy dust, brightly coloured costumes, crazy hats and teeny cast members hiding under umbrellas covered in flowers, making the audience feel that they too had just stepped straight into this magical daydream.

Not to forget the darker side of the story of course, with Alison Bennett first playing the highly-strung and rather stropky Almira Gultch, arriving on her bicycle to whisk away Toto then taking on the task of the

Wicked Witch of the West. With a green face glowing under the lighting and a spooky air of wickedness, Alison's blood curdling screams and appearances were convincing and had the audience wanting to sing along to 'Ding Dong The Witch Is Dead.'

The show featured a huge cast of both young members - with some aged just nine-years-old - right up to the more senior members of the group. The performance was an all round success on a well known classic and all the cast should be proud.

My praise not only goes to the cast, chorus and dancers but all those back stage who put on such a fantastic show with spectacular lighting, great costumes and set and musical numbers which you couldn't help but sing along to. A fantastic show and a great community effort - well done to all.

■ OFF TO SEE THE WIZARD: The four talented principals had great chemistry on stage and brought the tale to life

■ MUNCHKIN LAND: The colourful chorus of munchkins brought the magical story of *The Wizard of Oz* alive alongside Glinda the Good Witch of the North, played by Stanzi Carpenter

Goose Fayre another quacking success!

CROWDS flocked to the biggest event of the Colyford calendar – the Goose Fayre.

The annual celebrations mark Michaelmas, after King John granted to Thomas Bassett and his heirs a seven-day celebration for the occasion in 1207.

Events this year started with a medieval-theme procession from The Elms, led by Colyton town crier Derek Wenn, the Exeter Morris Men and Mayor and Mayoress of Colyford, John and Vicky Mills. Many residents followed in period costume.

Having arrived at the fayre ground at Springfield, the event was officially opened by Mr Mills, who took the traditional first swig of ale.

Entertainment followed throughout the afternoon, with displays from the morris men and Mere Down Falconry, the Colyford Mummers Play, ferret racing, medieval dancing and the finale of the mock auction of geese.

Children enjoyed trying

out archery, circus skills and the quintain ride. They also battled it out on the greasy pole, run by the 1st Colyton Scouts, and played skittles.

Country crafts, such as thatching, spinning, potting, wood turning and barrel making, were on display, while fayre-goers also enjoyed trying out armour and medieval weaponry, and watching the fighting

knights of Sutton House Living History.

Colyford Butchers offered a ram roast, while local produce and goods were also on sale on the stalls.

Musical entertainment was provided by the Woodroffe School's Early Music Group and traditional players.

The Goose Fayre was attended by 1,950 adults, with many more children, and made be-

tween £9-10,000, with all profits going to good causes within five miles of Colyford.

Treasurer David Horrell said this was "comparatively successful" with other years.

The organisers would like to thank all those who supported the event, with particular thanks going to Mr and Mrs Poutney of Springfield for use of their land, and Mr and Mrs Organ for use of their field for parking.

■ **TRADITIONAL FUN AND GAMES:** Skittles was one of the activities on offer

■ **LEADING THE WAY:** Exeter Morris Men led the procession to the fayre, followed by Mayor and Mayoress of Colyford, John and Vicky Mills, and many residents in medieval dress (below)

Beviss & Beckingsale secures Law Society's new conveyancing quality mark

Beviss & Beckingsale offices in East Devon and South Somerset have secured membership to the Law Society's Conveyancing Quality Scheme - the mark of excellence for the home buying process.

Beviss & Beckingsale underwent rigorous assessment by the Law Society in order to secure CQS status, which marks the firm out as meeting high standards in property work.

Law Society President Lucy Scott-Moncrieff said that the Law Society introduced CQS to promote high standards.

"CQS has established itself as the quality mark of the home-buying sector and enables consumers to identify practices that provide a quality residential conveyancing service. With so many different conveyancing service providers out there CQS helps home-buyers and sellers seek out those that can provide a safe and efficient level of service."

Mark Ollier, Senior Partner says: "Beviss & Beckingsale is delighted to have

secured CQS status. Buying and selling a home can be a stressful time. Choosing a solicitor to help in that process just got easier. By looking for a CQS firm like Beviss & Beckingsale the public can seek out a firm that has proved its commitment to quality. The overall beneficiaries will be clients who use Beviss & Beckingsale when buying a home. They will receive a reliable, efficient service as recognised by the CQS standard."

The scheme requires practices to undergo a strict assessment, compulsory training, self reporting, random audits and annual reviews in order to maintain CQS status.

It is open only to members of the Law Society who meet the demanding standards set by the scheme and has the support of the Council of Mortgage Lenders, the Building Societies Association, Legal Ombudsman and the Association of British Insurers.

For more information on the Law Society's Conveyancing Quality Scheme visit www.lawsociety.org.uk/cqs Or contact the CQS Unit on 020 7316 5550 or CQS@lawsociety.org.uk

Make moving home less stressful for your dog

You know moving house it is going to be stressful for everyone involved including your dog. There will be so much disruption, imagine what it is like for your much loved pet, their normal routine has gone as everyone is busy doing different things. The whole world your dog has become familiar with, such as smells and household objects has changed dramatically and you should be aware that your dog could become stressed.

Why not consider placing your dog in our caring boarding kennels for the duration of

your move. We will ensure your pet is kept safe, therefore minimising the affect on their stress levels whilst you and the rest of the family deal with the move. After the move to your new home when everything is unpacked and a semblance of normality has been restored you can collect your dog. It is important that you then give them the required time and attention needed for them to settle into their new environment. If you do decide to place your dog in our kennels you will need to ensure the dog is up to date with vaccinations and worming.

School transformed by ongoing works

SHUTE Community Primary School is being transformed with an ongoing building and maintenance programme. The programme started during summer and will finish this month.

New additions to the school include a toilet, an access ramp, a fire exit path, an outside covered classroom area for Elder Class and windows for Juniper Class.

Roofing, insulation and guttering are other areas covered by the programme.

Headteacher Amanda Graham said: "The school has never looked in better shape."

"The building that's emerging from the scaffolding combines the history of a Victorian schoolhouse with the modern facilities of a 21st century primary. "We're delighted with the work funded by Devon County Council and still have funds from our own school capital budget to make more exciting improvements for the benefit of the children."

Sweetpea specialist at Musbury Garden Club

GROWER and supplier Phil Kerton will talk about sweetpeas and creating the best display at Musbury Garden Club meeting on Monday, October 8th. Kerton Sweet Peas in Somerset was established 20 years ago by Phil and his wife Joyce, when a local man asked them to grow a prize-winning sweet pea called Marion, named after his mother, that none of the other nurseries wanted to grow.

Phil and Joyce began with four rows of these fragrant, frilly flowers and now they grow around 50 varieties on their land, which originally belonged to Joyce's grandfather.

Musbury Garden Club member Jane Bishop said: "Phil Kerton is undoubtedly passionate about sweet peas. Come and share his enthusiasm at this evening talk. Their sweet pea seeds will be on sale."

The event will be held at Musbury Village Hall from 7.30pm. Entry for members is £1.50 and £2.50 for non-members.

Celebrating 80 years with 80 kilometre run

By Anders Larsson
anders@tindlenews.co.uk

AN octogenarian did exactly what he set out to do by running 80 kilometres within 24 hours to celebrate his recent 80th birthday.

In fact, Tom Scriven, from Membury, reached his target with more than five hours to spare, so carried on and clocked up a total of 92 kilometres.

Mr Scriven took up running in his 50s and has more than 100 marathons under his belt.

He wanted to do something running-related to

celebrate his 80th birthday, which was on September 3rd, and came up with the idea of running at least 80 kilometres in 24 hours.

A fundraising element in aid of Devon Air Ambulance Trust was added and a 400-metre grass track was provided on Axe Valley Community College's sports field in Axminster.

The somewhat unusual event started at 12noon on

was reached at about 6.30am on Sunday but, after a break, Mr Scriven carried on until midday to clock up a total of 230 laps.

Speaking to *Pulman's View* shortly after crossing the finishing line, he said: "I'm bearing up. I won't say it was easy, but nothing is if you go to extremes."

The 80-kilometre target

The most problematic phase was the graveyard shift between 2am and 6am, which he described as "very cold".

During his formal post-run speech, he praised everyone who had helped and supported him in various ways by saying: "Thank you all. You have all been fantastic."

The amount raised for

Devon Air Ambulance Trust will be announced in due course.

Sponsorship forms are still available by calling Mr Scriven on 01404 881120, e-mailing him at t.h.scriven@btinternet.com or by contacting Axe Valley Community College site manager Robin Cross.

The Nail Studio

beautiful hands, feet and body

Axminster nail studio opening on Thursday 4th of October

When the hand of chance offers you a card with an exciting opportunity to change your life completely you know you have to take it...and that's what happened to me, having spent 27 years working for a major bank I was able to realise my dream of opening my very own micro spa and I decided to focus on treatments that could be taken in relatively short times, and most importantly, make people feel really good about themselves as it is my personal belief that if you look good, you feel good. And so The Nail Studio was born.

It's been an amazing journey since the beginning of the year when I really made the decision to move forward and set about making plans for the studio in South Street, which has now all been finished and is ready for our opening on the 4th of October. I have also found some great staff who I know will make the customer experience a very memorable one.

The treatments

We have specifically chosen a range of "feel good

factor" treatments that can give an instant uplift to one's self esteem whilst not stealing too much time from busy schedules, also that the treatments may be affordable so a more frequent indulgence may be possible without breaking the bank. We want you to be able to relax and enjoy your treatments in our friendly and warm environment leaving refreshed and looking forward to the next time that you are able to return.

We are not a brand or franchise linked to specific products, it is my personal dream to create a service beyond expectation at a price which represents good value and is affordable by everyone.

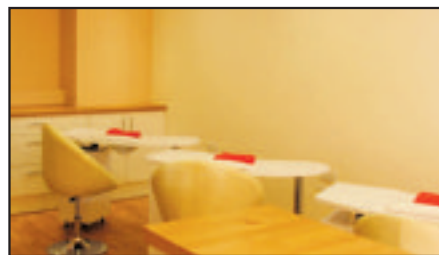

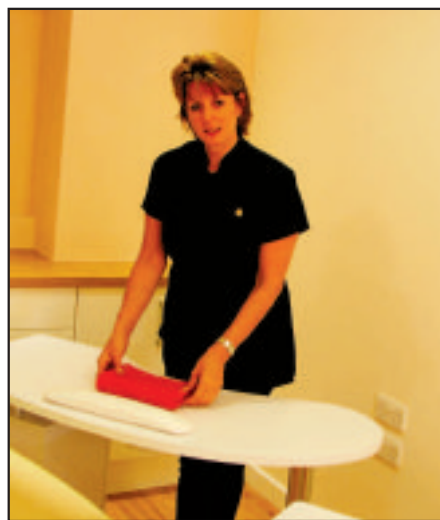

Manicures and Pedicures

"Great looking nails don't just happen you have to invest in them and look after them"

With a name like The Nail Studio manicures and pedicures are our main focus. We have three nail stations and a deluxe pedicure chair which combines your pedicure with a relaxing Shiatsu back massage and we have a great range of treatments to offer from very simple manicures with traditional products to Orly's new Gel FX long lasting, quick drying, gel nail varnish for a stunning look that lasts.

If your nails are not quite as long as you would like, we offer nail extensions with a choice of silk, fibre-glass, gel or acrylic overlays that give you seriously glamorous nails in an instance - just perfect for holidays and special occasions.

Compliment your beautiful nails with nail art. It is great fun and can be topical or just delicate and beautiful, as with all things at The Nail Studio we can invent something special and very personal for you.

Spray Tans Sienna X

A spray tan is a safe tan and unlike many spray tans our Sienna X has a wonderful scent added to it so it not only makes you look good, it feels good too. Sienna X is an exceptional product with great tones for a stunning look irrespective of the weather. We have designed the spray tan room to ensure people feel comfortable throughout the treatment and that it is discrete - a very important factor for many.

Thai foot and Indian head massage

Simple and very relaxing, these highly effective treatments are ideal for fitting in to a busy day or combining them in to a special "me" day! I know just how I like to be pampered and I sincerely hope that we will be able to surpass your expectations.

Gifts for someone special

Great gifts are unusual ones that last and make you feel good, and knowing that men are notoriously uninventive we have personalised some great treatments to either sample just the once or indulge for longer. So if it's a special make over with a tan, manicure and pedicure for a special occasion or a series of four manicures or three long lasting beautiful gel polishes, we've something to make you feel that little bit extra special.

Simply call in to see us and we will invent something unique - it doesn't have to cost a fortune.

Please do try to call in and see us or alternatively take a browse of our new website it's still early days but we are working hard on it. Our facebook page is also a great way to stay in touch with us and hear of our latest special days or new products.

We hope you are going to like our studio as we have tried to make it just like a micro spa, a place to visit and enjoy, a retreat from the day so that you can savour serenity even if it's only for a short while or longer if you have time.

David impresses with big screen demo

USING just five colours – and the white of the paper – to create a wonderfully free image of a Sumatran tiger, Paignton watercolourist David Webb delighted a large group of Seaton & District Art Society members at the September demonstration in Seaton Town Hall.

It was the first time the excellent Town Hall audio visual equipment and a new society camera had been used so that everyone in the group – all 60 of them – had a marvellous view on a large screen as the work emerged.

One member congratulated the artist for doing the preparatory,

light pencil sketch at the demonstration on a completely blank piece of stretched 200lb medium NOT paper.

"So many come with the drawing already done," she said.

David, who lives near Paignton Zoo, used his own photograph of the tiger.

"I like to sketch from life," he said, "but I couldn't bring a tiger along with me."

He mixed the colours – light red, burnt and raw sienna, auriole yellow and ultramarine – first on the palette and then on the paper.

He advised members to "make a lot of the background so that it

looks as if the animal belongs there."

Working carefully round the eye – he never uses masking fluid – he said: "This is the scary bit – where you find out how good you are."

His audience were delighted to show him just how good he is with their enthusiastic applause led by Chairman Fred Slatter.

The October meeting is on the unusual date of October 15th from 2-4pm in the Town Hall, where Hampshire artist Mike Bragg will demonstrate how to paint a portrait in oil over acrylic. Visitors are very welcome.

Art society exhibition well attended

HONITON Art Society had a successful exhibition once again, with good attendance and more picture sales than last year.

The public voted Paul Hardy's mixed media picture, *A Moorland Farm*, as their favourite exhibit.

The society held the first of their autumn meetings on September

17th when Sian Dudley painted an inspiring watercolour of Japanese Anemones in front of a packed house, giving plenty of tips on techniques and materials as she painted.

The society is very pleased to welcome several new visitors to the demonstration and hope that

they will come again and perhaps become members of the society.

The next monthly meeting will be held in Awliscombe Village Hall on October 8th from 2pm to 4pm, with a demonstration by David Webb on Landscape in Watercolour. All are very welcome. Entry is £2 for visitors.

East Devon Women's Institutes ROUND UP

SEATON WI'S September meeting was held on Tuesday 18th at the Methodist Church hall.

The guest speaker was Roger Grose, who made a very welcome return and followed on from his talk last year, about his 'Life in Music'.

He sang in the Bach choir for over 20 years and sang at Prince Charles and Princess Diana's wedding. He

has played the organ all his life and now plays brass in the Lyme Regis Band. It was a most interesting talk.

The W.I. walk will be on 4th October and the Christmas shopping trip has been arranged for November 22nd to Poole, Dorset.

The next meeting will be on Tuesday, October 16th at 2pm and the talk will be on 'Exeter History'

Decisions facing town impact on its livelihood

■ ON reading the *Pulman's View from Seaton* front page story, I must reflect on how linked they are.

As a former chairman of Seaton and District Chamber of Trade, when we ran the tourist information centre on the sea front, published and circulated with national advertising, a town guide, obtained the harbour road car park with an extra business rate for free car parking for Seaton and every trader was an active member.

How times have changed.

All these jobs have been taken over, altered and closed down by councils over the years, to now when we have all sorts of bodies and communities telling us what to do without even consulting let alone involving the high street traders.

I think we need to get to a situation where we at least talk to each other

because believe it or not it is the economic future of our community.

We have the expertise and for us it can not just be a hobby, it's our livelihood.

Let's hope forum won't start messing with Seaton...too much of that already

■ HOPE this forum isn't going to start messing about with Seaton.

In the past it was a vibrant little holiday town with family-owned shops that has been passed down from father to sons.

Then came the regeneration, stupid street furniture that people couldn't sit on, because the seats were too uncomfortable and had to be removed.

Next, was the pedestrianisation of Fore Street which could never be, as the shops don't have a back entrance for delivery of goods.

Then parking meters, how welcoming for visitors?

The final nail in the coffin was Tesco. Shop owners can't possibly compete with their prices so have gone out of business.

Why the holiday park, Lyme

Bay, had to go - which brought at least 800 people into the town per week - I don't know because the store wasn't built on that land.

Tesco brings people into the store, then they have a coffee in-store and then go home.

Someone got their figures wrong. But we're stuck with them.

Thanks for the fond farewell

■ TO all members, past and present, of Axminster Tow Football Club team and committee, thank you for making John's final journey so colourful and memorable.

As you reach the end of an era, so did he.

We wish you all many happy years and success at your new ground.

We hope it is not too long before you are reaping the benefits of your new environment.

I told you so, EDDC

■ WELL, there's a surprise, then.

Pulman's View reports that businesses in Seaton and Ottery St Mary are being encouraged to seek business rate relief, to compensate for the loss of trade as a result of the arrival of superstores on their doorstep.

As one of many who wrote on this very letters page warning of the potential damage to independent shops if megastores were approved in these towns, I take no pleasure in saying to East Devon District Council: I told you so.

Now do whatever you can, as soon as possible, to make amends to businesses wrecked by these unwise, ill-thought through decisions.

Rachel Mason

Will council listen to logic?

■ MY belated letter is in response to your newspaper of September 25th.

I am deeply saddened that East Devon District Council (EDDC) has turned down the opportunity for Seaton of £3.3m of inward investment with a new public promenade along the Axe Estuary plus flood defences and £500,000 for other works in the town.

Experience has shown me that public opinion holds no significance for EDDC, so commenting is futile - but that does not make its actions acceptable.

It changed the land allocation from tourism to housing and retail leaving us no overnight accommodation. It classified Seaton as a 'half day' tourism offer rather than an overnight destination.

It granted permission for a supermarket four times larger than Seaton needs -

creating an expensive sand castle, which in a recession has no purpose, unlike the flood plain it replaced!

This is why, as you highlighted, Seaton has been picked out by EDDC's own Overview and Scrutiny Committee as a priority for help to improve viability!

Highlighting the need for overnight accommodation for visitors, and noting that the new Tesco has brought people to the town but not to the town centre! Sadly it is no consolation to say "Told you so EDDC".

Much of the damage is irreversible! If only there were some way to make EDDC listen to logic and support rather than destroy our town!

Pulman's View from the churches

With NIGEL SPELLER

JOHN Streeting, Rector of the Axe Valley Mission Community writes that the Anglican clergy of the Diocese of Exeter have just returned from a conference at the Royal Agricultural College in Cirencester.

Speaking for myself, I was grateful for this opportunity for a time of reflection and refreshment, which only happens once every four years. However, 250 clergy in one place is a daunting prospect. Nonetheless I was very glad to have had the opportunity to attend, and I know that my colleague Judith and I both found the input of our guest speakers and the workshops we attended extremely stimulating.

We hope to pass on some of the excitement, insights and wisdom we gleaned during our stay there in the coming weeks.

In particular I was fascinated to hear about the inter faith relationships in the Middle East, having had the privilege of a workshop given by the Bishop of Cyprus and the Gulf. In a number of countries Christians are in a significant minority and struggle to maintain their faith in hostile environments.

At the same time there are many moderate Moslems who are both tolerant of their fellow Christians and happy to allow them to worship in their own way. This is a million miles away from some of the regrettable portrayal of Moslems in the popular press. Back home, we look forward to the coming harvest and our prayers go out to farmers affected by the quite unusually wet weather. Harvest is about thanksgiving so let such be in all our minds.

Still on food, and the Christian Aid Crisis Appeal for West Africa recently raised £380, which goes to join the other contributions large and small at Seaton. And the Christian Aid Souper Lunches start on Friday 5th October at 12 noon in the URC Hall, and the first Friday of the next two months.

Musbury Church has Harvest Thanksgiving on Sunday, October 7th at 3.30pm followed by tea.

Son et Lumiere will be at Colyton Church in the evenings from October 11th to 13th. Enquiries and tickets from Colyton 552065 or Haynes Hardware.

Exeter Diocesan Synod meets at County Hall Exeter on Saturday, October 13th from 10.30am. Non members are welcome in the public gallery. Business will include a report on the Diocesan Strategic Plan and the budget for 2013. Elections to various committees of Synod take place later this year.

Other national news is an alert about attacks on churches who have suffered the loss of church monuments, which have been chiselled out of church walls. A contact point exists at 0800 555111.

JAN JONES lives in Sidmouth with her granddaughter. She became involved in plans for the Stowford Community Centre in 2009.

In her spare time Jan loves to line dance, go walking and enjoys spending time with her family. One year on since Stowford Community Centre opened, we ask her how her role as vice chairman is going.

● **WHAT is your role within the centre?**

I wear several hats at the centre, as I am vice chairman, chief fundraiser and director of the centre. I deal with bookings and the general running of the centre as well as running and organising most, if not all, our fundraising events. It is very enjoyable, I love it.

● **WHAT has been most rewarding about your job at the centre?**

Seeing the centre being used regularly and seeing people enjoying being here. I love people and getting to know new people too, so it has been nice to meet the many groups.

● **HOW has the first year for the centre been overall?**

I think we have done very well. There are times when we need more people to help us and to support us as a centre but overall a very good and successful first year. There is still lots to sort out but we are getting there.

● **DO you think that the centre has attained its goal of reaching out to the community?**

No I don't think so - not completely anyway. I think there needs to be more community involvement and we hope that the centre can increasingly become part of the community here at Stowford and in the surrounding Sid Valley.

We hope to put on shows, dances, luncheon clubs and much more to increase that contact with local people.

● **WHAT groups and clubs use the centre?**

There are loads to choose from! Funky Feet dance for youngsters, Pilates, Yoga, Tae- Kwon-do, Age UK, Body Sculpt, Slimming World, Zumba, the Wren Music Choir, Parkinson's support group, Breathing Association, Pamper classes- the list is endless!

● **WHO else can use the centre?**

The centre is available for hire for regular or one off sessions and you don't just have to be running something for the public. The centre can be hired for functions such as parties and wedding receptions, and has a full licensed bar as well as kitchen and café facilities. We also have facilities for projection and screens and even proper lighting for shows and performances.

There is something here for all sorts of people, and we often host meetings for businesses or local organisations.

● **HOW has fundraising for the centre been?**

To begin with, funds were pouring in as we had just opened the centre and there was a lot of support. We tried to introduce a number of regular fundraising events such as jumble or tabletop sales and dances but the support fizzled out.

However we are hoping to reintroduce the tabletop sales and are looking to put on some bigger events such as a Halloween disco for kids and party later for adults and also celebratory Christmas and New Year's parties.

● **TELL us about your regular line dancing events...**

Our main fundraising event is our line dancing which has been an ongoing success and is something I enjoy as a hobby.

We have monthly sessions every third Friday of the month with doors opening at 7pm and the evenings go on until around 11pm. All are welcome, beginners and those who regularly dance, and there is a variation of freestyle and partner dancing.

You can even come along just to enjoy the country music and have a drink.

● **WHAT do you hope the future brings for the centre?**

I really hope the community can use the centre more and we can reach out to more people, of all ages. There is a huge community up here and so we just need to outreach to them.

It is a beautiful building in a beautiful setting and there is something for everyone so we hope this can be embraced and we can have much more success. At the moment there are still lots of times, particularly at the weekend where the centre is not in use so we hope that more groups will hire or book out our facilities and the centre can have a bright future.

If you would like to find out more about the centre or would like to join groups, book or hire the facilities, contact Jan Jones or Managing Director, Peter Sullivan on 01395 576803.

Problem escalation in rat population

I WAS chatting a few days ago to a local gamekeeper who told me that his shoot is being over-run with rats. The wretched creatures are attacking game food hoppers along with grey squirrels, and all-out attack, with poison and traps, has accounted for scores of these pests.

This wet, dreary summer has apparently seen a massive escalation of the rat population throughout the country and here, at home, we have already seen a minor invasion of these horrid creatures from the surrounding hedges and woodland.

Several boldly scuttle across stone slabs to feed from bird-table crumbs and although I have tried to ambush them with the air-rifle, they are always too sharp for me. However, a cleverly designed poison container has called a halt, albeit doubtless temporary, to their excursions.

However, a main neon-tube stable light, kept tripping the light system whenever it was turned on and it was only when an electrician arrived to sort out the problem that the culprit was found to be a rat or rats, which had chewed through a cable. This is a constantly recurring problem, announced my electrician friend. All electric cables, he averred, should have some form of rat-proof protection. It seems we are going to have to engage in a determined rat offensive this winter via traps and poison.

On a more genial note a friend showed me a case of red squirrels which he is looking after for a friend who is temporarily abroad. What is so interesting about this Victorian sample of taxidermy is that the squirrels are all depicted playing cards in a domestic setting. Now, the case immediately rang a bell with me, for I suspected that it might well have formed part of the remarkable museum assembled by Walter Potter and which was displayed at Bramber in Sussex.

There were scores of cases of rabbits, kittens, rats and squirrels, all mounted in "human" scenarios. Thus there was the village school which contained around 40 baby white rabbits being taught by an adult bunny; there was the death and burial of cock robin, a kittens' tea party and, numerous cases of red squirrels, all depicted in Victorian domestic settings.

The museum eventually departed from Bramber to Brighton and then to Arundel, but in 1986 it was sold for £125,000 to the Jamaica Inn on Bodmin Moor, Cornwall. There it remained until 2003 until the entire collection of taxidermy was sold at auction by Bonham's and, sadly, dispersed despite the efforts of enthusiasts to raise sufficient funds to keep it intact.

Now, when I discovered that my friend's case of red squirrels had been bought at auction at Jamaica Inn I knew, of course, that this was indeed one of the original Walter Potter cases and which had been on display at Bramber in the stone and flint museum specially built to house the collection.

I know, too, that I would have earlier seen this particular case for I can readily remember, as a child, being taken by my father to see the museum and even now I can recall the death of cock robin tableau and some of the curiosities that were housed there. It was indeed a strange fantasy and, whilst today would doubtless be considered politically incorrect, enthralled me. To see the card-playing red squirrels once again evoked a curious sense of déjà vu.

Now, on a wider front, I have been reliably informed that a pair of Devon beavers now has its own blog! The European beavers are part of a controlled experiment being run by the Devon Wildlife Trust's Working Wetlands project. The beavers are contained in a three hectare compound and the blog is being written by volunteer Vicky Halse. To read it, visit the "what we do" pages of www.devon-wildlifetrust.org.

Seasonal and Spooky Fun at Seaton Tramway

SEATON Tramway, one of Devon's most popular tourist attractions, has some great autumnal activities planned for October and November 2012. Jenny Nunn, Managing Director at Seaton Tramway says, "Seaton has special spooky goings on over half term week for Halloween and it's a great day out, rain or shine, so if the weather is "shocking" come to us!"

Special bird watching tram rides are planned with local expert ornithologists, Ian Waite, Don Cotton and Donald Campbell. There are over 50 species of bird which visit in this Area of Outstanding Natural Beauty, ever changing with the seasons. The 'bird hide on wheels' travels slowly and silently through two beautiful nature reserves at Seaton Marshes and Colyford Common, stopping at points of particular interest on the glorious three mile journey along the Axe Valley Estuary. And it's the early bird that gets the best spot, with trips taking place between 9-11am on Saturday October 13 and 27, and Friday, November 9th. Booking is essential as places are limited on the tram; tickets are £12.50 per person and include a hot drink.

Pink Friday (October 19th) for Breast Cancer Research, special departures will run from Seaton Terminus at 10.30am,

12noon, 2pm and 3.30pm where you can travel for £1.00 return and donate the balance of the usual fare to Breast Cancer Research. Jenny adds, "We hope lots of visitors will wear pink to show their support for Breast Cancer Research, the shop and restaurant at Colyton will have a range of pink paraphernalia and refreshments. With fantastic support from our visitors and staff we've raised nearly £2,000 over the past couple of years with similar events."

The *Tram of Terror* takes place from October 22nd-31st (half term). Travel, if you dare, on Seaton's *Tram of Terror*, with thrills and spills throughout the journey, departing from Seaton each day throughout half term at 10.30am, 12noon, 1.30pm and 3pm. There will be spooky entertainment each day with Cosmo the Clown and his Vampire Act from 11am until 4pm, except October 28th when there will be Face Painting from 11am to 4pm together with horrible Halloween games. Marsyas Trio to play Marine Theatre concert

THERE is a legend that tells of a gifted piper - Marsyas - who foolishly dared to compete against Apollo, the god of music, with a fatal result... This ancient myth is the inspiration behind the Marsyas Trio, three highly accomplished young musicians - flautist Helen Vidovich, cellist Valerie Welbanks and pianist Fei Ren - who will be performing Concerts in the West's end of season finale at Ilminster Arts Centre on October 5th.

Vidovich, Welbanks and Ren met as postgraduate students at the Royal Academy of Music in London and formed the Marsyas Trio in 2008 following completion of their degrees. They focus their talents on music written for flute, cello and piano and since 2009 have performed regularly as a trio throughout London and Europe and have been featured on Classic FM radio, as well as Bulgarian National TV and radio.

Helen Vidovich has taken part in the London Symphony Orchestra Training Scheme and has appeared as a concerto soloist with the Sydney Chamber Orchestra. She works as a teacher and freelance musician in London. Valerie Welbanks is currently doing a PhD at Goldsmiths College. She plays regularly with the Ligeti Quartet and the Dionysus Ensemble and has appeared as a recitalist in Canada, South Africa and the UK. Fei Ren won the Lloyd Hartley

Prize in 2008 at the Royal Academy of Music. In 2005 she won New Zealand's National Concerto Competition. She has performed with the Auckland Philharmonic, the Christchurch Symphony Orchestra and the Auckland Youth Orchestra.

Catherine Hodgson, founder and director of Concerts in the West said: "The 2012 series has been a brilliant success with wonderfully supportive audiences, which we appreciate enormously. Our end of season concert is a particular highlight and I am so pleased that we have the Marsyas Trio to play us out. They are delightful musicians and their interpretation of pieces by Hayden, Ibert, Piazzolla, Martinu, Farrenc, Gaubert, Chopin, Dutilleul and Liebermann will, I know, be an unforgettable experience."

"Concerts in the West has a thrilling programme planned for the 2013 season and there is plenty of opportunity to become involved with us through our different membership levels. We welcome any feedback from our audiences either directly to our office in Ilminster or via social media - we are on Twitter (@CLouiseH) and Facebook (<http://www.facebook.com/ConcertsintheWest?sk=wall>). I also have a blog on the web site (www.concertsinthewest.org), which is regularly updated with new details about the concerts and the musicians who play for us."

The Marsyas Trio play at The Marine Theatre, Lyme Regis on Thursday, October 4th at 7.30pm. Ticket cost £12 and are available from the Box Office: 01297 442138 or online at www.marinetheatre.com

Fantastic line-up for SeatonMusic's new season

AFTER a cracking 60th birthday celebratory year, SeatonMusic is offering yet again some of the finest young musical talent from Britain and abroad. SeatonMusic is a charity whose main aim is to bring great live classical music to the people of East Devon. The series of concerts runs from October to May, once a month at Seaton Town Hall.

The season opens on October 25th with the eagerly awaited return of the Dominant string quartet from Russia, now one of Russia's foremost quartets with a wealth of world-wide experience behind them. Expect some stirring Russian music along with Mozart and Webern in the programme. SeatonMusic are most grateful to Bevis and Beckingsale, solicitors, for their sponsorship of this concert.

On November 22nd SeatonMusic will welcome James Sherlock, the gifted young pianist, who will play a programme of great variety. As well as winning several international competitions and performing not only as a soloist but also as a member of chamber groups and as an accompanist, James has used his gift for communication to lead workshops in schools, prisons and hospitals.

Three distinguished soloists, Robert Plane, (clarinet,) Alice Neary, (cello) and Sophia Rahman, (piano,) come together on December 6th with a programme which includes the Elegy for clarinet, cello and piano by patron and local composer Gordon Langford. All three musicians are recording artists in their own right.

2013 is the anniversary of the death of Francis Poulenc, and to mark this event on January 17th

SeatonMusic has a programme celebrating his life through his music. Anyone who enjoyed the 'Babar' stories as a child will be amused to hear the musical story 'L'Histoire de Babar'. The artists are Clive Matthews, piano, and Jacqueline White, soprano, who will be including a workshop for Seaton Primary School in their visit.

An exceptional event is planned for January 31st, when SeatonMusic welcomes the Nordic Chamber Ensemble, the touring arm of the Nordic Chamber Orchestra from Sweden. The ensemble consists of two violins, viola, cello, double bass, flute, oboe, clarinet, bassoon, horn and piano. Their programme includes the beloved Trout Quintet by Schubert.

Mark Bebbington, the pianist whose recordings of English music have earned him five stars in BBC Music Magazine is the soloist on March 14th. He will play works by Ireland, Bridge and Briggs.

The season ends with the percussionist Toby Kearney, who was the winner of the percussion section of the BBC Young Musician of the Year in 2006. As well as solo performances Toby plays with the CBSO, Opera North, the Halle, the RLPO, the Britten Sinfonia and others. Toby will also be doing a primary school workshop.

SeatonMusic concerts take place at Seaton Town Hall. Individual tickets are £12.50 - terrific value when compared with London prices - but for best value join for the year and enjoy all seven concerts for £49. For further information visit www.seatonmusic.org

The Isca Ensemble return to Sidmouth

THE highly talented and popular Isca Ensemble under its regular conductor Roger Hendy will be returning to Sidmouth Parish Church on Saturday, November 7th at 7.30p.m. to present another sparkling classical programme. Roger has completed over forty years of work with orchestras and choirs in the region. The Isca chamber orchestra of 50 players has received much critical acclaim since its inception some nine years ago and continues to support a number of very important local and international charities. For the forthcoming concert, the orchestra is supporting the important work of Christian Aid in its vision to eradicate poverty.

The concert consists of favourite works by Respighi, Bizet and Mendelssohn. Ottorino Respighi was not only a composer but also a musicologist and antiquarian. His famous Ancient Airs and Dances are beautiful arrangements of music from the Italian Renaissance. The original composers flourished between 1575 and 1625. Respighi's task was to capture the elegance, subtlety and brilliance of this very old music in a form pleasing to the modern palate. He was so successful that the Airs and Dances are some of the most popular works of the 20th Century. The orchestra will perform Suite No. 2.

The programme also contains two great symphonies.

The delightful Symphony in C by Bizet reveals an extraordinarily accomplished talent for an 17-year-old student written whilst he was studying at the Paris Conservatoire. The fresh and most tuneful 'Scottish Symphony' of the brilliant young Felix Mendelssohn completes the programme. Conceived during Mendelssohn's trip to Scotland, the work was completed in 1842 and dedicated to Queen Victoria.

This concert is not to be missed. Tickets can be purchased or reserved in advance from Paragon Books, 38 High Street, Sidmouth (tele. 01395 514516) or can be purchased at the door. Refreshments will be available during the interval. There is easy access for disabled people and wheelchairs. There is also free admission for students.

The next concert will be in Sidmouth on Saturday, March 2nd 2013 and will feature a performance of Beethoven's Seventh Symphony. It will mark the tenth anniversary of the Ensemble. Sidmouth Rotarians will also be supporting this concert and raising much needed funds for the Children's Trust and support for the old, and physically or mentally handicapped in East Devon.

Further details of this concert and the ongoing work of the Isca Ensemble may be obtained from the Musical Director, rogerhendy@btinternet.com.

Platinum-seller Sandi Thom to play Marine Theatre

THE multi platinum record selling Scottish troubadour has long since proved the sheer power of her song writing, with her album and single chart-topping adventures.

Now, six years after her debut album *Smile...It Confuses People* and the massive hit single 'I Wish I Was A Punk Rocker' both raced to the top of the UK charts on the way to combined sales to date of about 2 million albums worldwide and following her last release, the critically acclaimed, award winning blues album *Merchants & Thieves*, Sandi Thom is back with a new album - *Flesh & Blood*.

Released in August, *Flesh & Blood* was recorded at Nashville's legendary 16 Tons studio, with celebrated Black Crowes guitarist Rich Robinson in the production hot seat, the fourth Sandi Thom album is, she says, "the first album I've done that is really all about me."

Featuring a core studio band led by producer Rich Robinson on guitar and including fellow former Black Crowe and widely travelled session star Audley Freed (guitar), respected Nashville stars Mike Webb (keys/Dobro) and James Haggerty (bass), and Black Crowes drummer Steve Gorman, there are also guest appearances from acclaimed singer-songwriter Buffy Sainte Marie and famous Rolling Stones collaborator, saxophonist Bobby Keys. Legendary producer Kevin Shirley (Led Zeppelin, John Hiatt, Journey) who mixed two of the key tracks says "Her writing is fantastic and her singing is great on a great song." Then

there is the intriguingly titled 'I Love You Like A Lunatic', based on her "life-changing" love affair with superstar blues guitarist Joe Bonamassa.

Like David Bowie and Elton John, who also enjoyed early one-off hits before finding their true niche as musical artists, Sandi feels that *Flesh and Blood* is her coming of age album. "The people that only know me from '...Punk Rocker' won't recognize me on this album."

◆ Sandi Thom plays at The Marine Theatre, Lyme Regis on Saturday, October 27th. Tickets cost £15, £13 concessions and are available by calling 01297 442138 or online at www.marinetheatre.com. A Theatrefriends discount is available, and there is a special concession price of £22 for a double ticket for Sandi Thom and The Fab Beatles who are at the Marine on October 26th.

MITSUBISHI L200 – THE ONLY TRUCK TOUGH ENOUGH FOR A 5-YEAR / 125,000 MILE WARRANTY

CIRENCESTER – Mitsubishi Motors in the UK is pleased to announce that the Mitsubishi L200 now comes with the longest

warranty of any pick-up truck in the UK marketplace, providing customers with peace of mind for a class-leading five years/125,000

miles.[1]

The pick-up market has seen phenomenal growth in the last decade and much of that can be attributed to the continued success of the L200, and its commercial models. Despite the current market conditions, the L200 has been selling in impressive numbers and still continues to be a top choice amongst pick-up customers.

The Mitsubishi L200 provides the most versatile range in the marketplace offering three cab configurations - single, club, and double – with a wide spectrum of specifications, from the no-nonsense workmanlike 4Work models, presenting durability and

functionality, through to the comfort and luxury of the range-topping Barbarian and Walkinshaw models.

The first pick-up truck to receive a 4* NCAP safety rating, the L200 is the only pick-up truck which has a 4x4 system so advanced that it can be driven in 2WD or 4WD, even on dry roads! The Mitsubishi L200 remains just as rugged as ever, but with more equipment, more style, greater performance and more power. Being rugged doesn't mean the L200 isn't without an environmental conscience either, with detailed improvements being made to the truck allow it to be one of the lowest emitting and fuel-effi-

cient pick-ups in the marketplace. Mitsubishi Motors in the UK Managing Director, Lance Bradley, said:

"Warranty cover for five years or 125,000 miles gives buyers of the Mitsubishi L200 peace of mind for longer than any other pick-up in the UK. The Mitsubishi L200 won WhatVan? 'Pick-up of Year' 15 times in 18 years and is renowned as a tough and reliable truck, which is why we have the confidence to put our money where our mouth is. What's more, the whole L200 range will be covered."

[1] Terms and conditions apply. Please visit www.mitsubishi-cars.co.uk for more details.

ADVERTISING: #YOU DRIVE – A NEW APPROACH FOR A NEW GENERATION MERCEDES-BENZ

Mercedes-Benz has created an advertising campaign to match the innovative and creative benchmark set by the new A-Class.

Named '#YOU DRIVE' the campaign for the new A-Class is an industry and social media first. Using Twitter, viewers will drive the action of a three-part story shown this weekend during the commercial breaks in the X Factor. A sneak preview of the new campaign is being launched this week.

The story takes the form of a light hearted cat and mouse caper, during which the hero, a young music star played by the Top Boy actor Kane Robinson, is trying to get to a secret gig, with the help of his female accomplice, actress Wendy Glenn. Meanwhile the authorities are keen to close it down. With several different scenarios filmed, the viewer will have the opportunity to vote via Twitter and steer the action as to which route they should take. Each scenario puts a different twist on the caper –

filmed on the streets of Lisbon and Porto, Portugal.

After the event consumers can visit a specially created interactive channel on YouTube, youdrive.com/YOUDRIVE, to view all available films and drive their own A-Class story. There's even a chance to win a new A-Class for a year, for those who find the date of the secret gig in the film.

The story was directed by London-raised Yann Demange, who also di-

rected Top Boy. Director of Photography for the shoot was Anthony Dod Mantle, with credits to his name including Slumdog Millionaire, 127 Hours, 28 Days Later and Rush, the new film by Ron Howard depicting the life of racer James Hunt.

David George, Marketing Director, Mercedes-Benz UK commented: The New A-Class represents a new, younger, more dynamic Mercedes-Benz brand, which is reflected in this campaign. It's a modern Mercedes-

Benz, that encourages people to do what we know they enjoy; to get involved. In doing so, we hope to really cut through and create a positive, lasting impression on their view of the brand."

The new advert launches on Saturday 6 October during the X Factor.

The A-Class is on-sale now, with prices starting from £18,945.00 OTR. More information can be found at mercedes-benz.co.uk

Customer Testimonial

Hi Derek, just to say thank you for the recent work carried out on my Jag. Everything was perfect and as I was so impressed with your service, I will without hesitation use you again, and will also recommend you to others.

R&P.S Axminster

Dear Derek, I was delighted with all aspects of the service I received from Derek Lee at Westcountry Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have often left me frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can I ask! All my own words!

M.M Wilmington

Hello Derek, just thought I would drop you a line to say thanks for the excellent service carried out on my S Type last week. This is only the second time I've used you, but you can rest assured I will not be taking my car anywhere else now.

L.R

Greetings Derek, as you said it was like driving a new car. I delayed emailing you until today because I wanted to check my fuel consumption after a long M Road run. Yesterday my wife and I drove to Cheddar, we covered 150 miles of which 120 would have been on the M5. I averaged 35.1 mpg which I would assume was satisfactory. Thanks for all your skilled work on my car.

D.S

Dear Mr Lee, after bringing my car to you for the first time last week for a health check I wanted to let you know how pleased I was with the thoroughness, efficiency and courtesy I received. I was appalled by what you discovered, many and various parts that should have been replaced, maintained or at least brought to my attention by the main Jaguar dealer who have regularly serviced the car since new 10 years ago. I only wish I had brought the car into you sooner but rest assured it will be coming back to you from now on.

K.W Sidmouth

Derek, thought I would express my thanks regarding my recent service on my XK8. I was first of delighted to find someone so enthusiastic and knowledgeable, and local.. I am really pleased with your attention to detail, and your friendly approach.

P.E

Derek, just a quick note to say a very big thank you for looking after my Jag X Type so well over the past four years. It got put on the back burner, but you put it right for me, now going like a dream. Many thanks and I'll see you next year.

Derek previously worked in London where in 1976 he left his employment with a Jaguar main dealer to become one of the founding partners in Leeborn – a family based business, which even then was centred around Jaguars. Having become the businesses driving force, he developed it into a highly respected Jaguar and Daimler sales and service centre. The company relocated to new purpose designed, fully equipped premises and was renamed D.A.Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers is second to none.

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races that he can remember as well as three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so they were always in peak condition and completely reliable, he then added his own determination and drive. He is using the same formula and drive to provide Jaguar and Daimler owners with the very best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe, all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the premises in Dunkeswell. Derek has the very best equipment money can buy in his workshop. From the computerised engine

diagnostic and tuning unit to an air conditioning maintenance machine, which also cares for the environment as no refrigerant is released into the atmosphere.

D.A.Lee is fully equipped to carry out all maintenance and repair work on Jaguar and Daimler cars. D.A.Lee offers the best in independent and personal Jaguar service with all work carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade oils. Regular reports keep you in touch with your cars progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. High flying Feniton hit top spot

Match reports

**Westex Rovers 1
Sidmouth Town Res 1**
D & E Division Two
SIDMOUTH Town Reserves travelled to Westex with a much depleted squad but were good value for a point after an entertaining 1-1 draw.

It was the home side that scored first after 38 minutes of a first-half in which both teams had chances but the hosts just shaded.

The second-half saw Sidmouth put in a stout effort and they got their reward when Paris Pinney finished well to level the scores.

Westex then applied some pressure but the Vikings defence held firm and limited them to long-range efforts.

As the game wore on Sidmouth had several good chances, and on another day may well have nicked all three points, but the game ended in a draw and was a fair result.

Sidmouth Manager Nick Ogden was very pleased with his team, he said: 'It was pleasing to see every single player put in a shift today, from front to back they all ran their legs off.'

'Charlie Nicolle got my Man-of-the-Match award but to be honest the whole team deserves a mention'.

Axmouth United 3 Lords XI 2
Division Four
AXMOUTH expected a much tougher game than last week's stroll with the visit of Lords XI and so it proved.

The visitors started the brighter imposing themselves right from the start but found themselves goal down inside five minutes when the Axes first attack saw a Reece Hales' strike well saved but Charlie Clarke met the rebound with a diving header to just beat the 'keeper's valiant second attempt.

The lead was doubled inside ten minutes as Hales again let fly from 25 yards giving the 'keeper no chance.

Soon after, an injury to right back James Sweeney forced a reshuffle and Lords XI struck twice to level things up with the home side hanging on for the break.

A tactical change for the restart brought the home side much more into their stride. A Jon Taylor long-range effort crashed against the bar and a Christian Burridge drive was brilliantly tipped onto the post as Axmouth

created more chances.

With time running out a draw looked on the cards until the visitors conceded an indirect free-kick just 10 yards from the goal.

Up stepped Hales again to crash a shot against the wall but he pounced on the rebound to force home the winner with just eight minutes remaining.

◆ **Round-up:** First-Half strikes from Paul Dowling and Andy Jones have catapulted Feniton to the top of the Premier division after a 2-1 win at Topsham Town. Seaton Town hit some form at last as they crushed Budleigh Salterton 6-2. Ben Ede (2), teenager James Hill (2), Josh French and Harry Bullmer, on debut, scored for the Greens.

Meanwhile, a double from James Melville couldn't save Beer Albion from a 5-3 defeat against Newtown.

Sadly, the game between St Martins and Clyst Valley was abandoned in the 88th minute after Valley's Dave Jarvis suffered a broken leg.

In division one struggling Colyton went down 3-1 at Alphington.

Top scorers in division two were Colaton Raleigh for whom Rikki Pitter and Adrian Parr both scored hat-tricks in a 9-1 mauling of Chagford. The boot was on the other foot for Honiton who were hammered 6-0 on their own turf by Elmore. It was a similar story for Ottery St Mary who lost 4-0 against visiting Uptontery.

In division four Seaton Reserves failed to raise a team for the trip to Axminster.

Feniton Reserves went goal crazy with Jamie Brimblecombe hitting four and Louie Dyer and Danny Lewis hat-tricks in a 14-0 annihilation of lowly North Tawton.

◆ **LEAGUE** secretary Chris Davey would like everyone to know his wife Mel is making steady progress in hospital, and is grateful to all who have sent their best wishes. Clubs are still requested not to call him on soccer matters unless very urgent.

did well in some areas,' said Bennett. Jon Hurford and Ben Vine looked dangerous down the flanks and provided a number of dangerous crosses which Axminster's twin attack, brothers Terry and Richie Emmett, were unable to make the most of, although they went close with a couple of headers over the bar.

Bennett summed it up when he commented: 'It was a frustrating afternoon really and we should have come away with three points.'

Moore success at Manor Farm

THE FIRST day of the Manor Farm hill climb last weekend saw conditions ideal for the drivers who could drive to the limit in the dry conditions knowing that the warm track surface would contribute to them gaining maximum grip from their tyres. Evidence of this was five new class records during the course of the afternoon.

The second day of the **View From Newspapers** sponsored meeting was a complete contrast. The rain lashed course tested the drivers as even with special wet weather tyres (only permitted in some classes) a number spun or left the track. The conditions were such that a number of drivers withdrew from the event.

Dave Sims from Newton Abbot mastered the conditions on both days in the Ralt RT33/34 single-seater racer that he shares with his father Roy. Four drivers broke below the 28 second mark in the battle for Fastest Time of the Day with Duncan Stewart providing the most effective opposition in his 1052cc Kawasaki powered Force HC completing the Manor Farm course in 27.51 seconds.

The Fitzhead driver's aspirations of overall victory were dashed by Sims on his final run as he took the two litre Ralt to the top in 27.14 seconds.

With the Woolbridge Motor Club's Eric Moxom Trophy in his possession Sims could start to consider the possibilities of adding the Anniversary Trophy to his haul if he could repeat the feat the following day.

The weather forecasters were correct and rain was falling before and during the Sunday event.

During the first competitive runs Mark Mortimer made the running in his Mallock Mk17B; the Mudford driver stopping the clocks on 32.84 seconds.

When the drivers made their second visit to the hill it was Simon Neve who took the initiative in his turbo-charged Mitsubishi Evo 6RS making the most of four wheel drive to lower the benchmark to 32.36.

However, on his final climb of the day in slightly improved conditions, Dave Sims achieved the double when he broke 32 seconds, the only driver to do so, with an ascent of 31.97 seconds.

Road-going Series Production car exponent Lee Moore was the first of the local drivers to have an impact upon the results.

Although his rebuilt Citroen AX GT, following an incident at Wiscombe Park three weeks ago, was not cosmetically perfect, mechanically everything was operating well enough for the Axminster driver to re-write the record books on Saturday when he lowered his own record by over

half a second to establish a new standard of 31.25 seconds.

The following day Moore was unable to match the pace of Mini man David Foster and took the runner-up slot.

Having recently successfully defended his Wiscombe Park championship title; the first in the history of the series to do so; Lyme Regis driver Craig Moore had his sights on the south-west champion's crown. Lying in second place before the weekend he knew he had to get the best from both himself and his Ford Cortina Mk2.

The motor technician was quick from the first practice run, stamping his authority in the over 1600cc Rally Car category and eventually despatching the challenge of Tim Porter (Ford Escort Mk2) with a class winning time of 29.40 seconds that decimated Porter's class record by forty-four hundredths of a second.

Moore was equally dominant in the wet one day later, the moisture sodden atmosphere bearing the staccato notes of the Cortina's engine as Moore played with the throttle pedal testing the levels of adhesion and hustling his mount to the finish in 35.00 seconds.

AXE CLIFF with Janet Dack

SENIOR CLUB

MEMBERS of Axe Cliff comSeniors' Section The Seniors were back in action after a blank week when intended visitors from Torrington had to cry off.

On Thursday it was the return inter-club match with Sidmouth whom Axe Cliff had beaten 5½-1½. In July. This time it was Sidmouth's turn to win handsomely which they did 5-1, but over the two matches Axe Cliff edged it by 6 1/2-5 1/2. The sole winning pairing for Axe Cliff were John White and Iain Bain.

On Friday it was the second year of competition for the Ron Miller Claret Jug. Ron who had been Treasurer of the Section for 15 years is now in his 90th year and despite the walking difficulties, was on hand to present the Jug.

The winners with a joint Stableford score of 62 points were Bill Polley and Dave Weston.

Two teams amassed 61 points and second place on countback went to Keith Wilson and Charles Whitbourn and third to Chris Walker and Rob Heard.

In a recent Seniors better ball Stableford at Bridport in a field of over 60 pairings, Axe Cliff's representatives, Malcolm Glass and Iain Bain secured seventh place winning a dozen Titletise each in the process.

LADIES' SECTION

THIS Wednesday the Ladies of Axe Cliff competed for the second round of the Freddie Newberry putting competition combined with an extra Medal.

Conditions were good apart from a few squally showers. The winning player for the Medal was Glenda Board (19) beating Barbara Cummings and Helen Kenworthy on the back nine.

HONITON with Andy Wagner

GLANVILL CUP

THE Glanvill Cup was played on Saturday with players enjoying the Autumn sunshine.

The format is Foursomes Stableford off the White Tees for the men and off the Men's stroke index which always makes scoring

harder.

The winning pair with 31pts. were Lady Captain Jackie and Allan Seager.

Second place on c/b were Andrea and Stan Squire with 29pts and in 3rd place, also 29pts, were Tricia Swindell and Alex Gosling.

Lady Captain Jackie presented the vouchers to the 2nd and 3rd placings with Club vice-captain Dave Morgan presenting Jackie and Allan with the Cup.

LADIES SECTION

THE Ladies Section held their Autumn Closed Competition on Wednesday and, as always, it proved to be a great celebration of golf.

There were prizes for nearest the pin in Bronze division, won by Olive Pope, and Silver division, won by Diana Gee.

The Longest Drive Cup went to Stephanie Barnes, who also won the overall competition, and the Betty Harris Memorial Cup, with a wonderful score of nett 75.

Best gross score went to Henrietta Bradshaw with nett 96. In the EWGA Medal competition Silver division 1st place went to Mona Carter

(nett 80), 2nd to Elizabeth Ward (nett 81 c/b) and 3rd to Ann Trayling (nett 81).

In Bronze 1 division Olive Pope was 1st with a nett 76, Thelma Neate was 2nd with nett 80 and Lesley Oxenham 3rd with nett 82.

Bronze 2 winner was Pam Greenaway with nett 73, 2nd place went to Jan Lloyd with nett 79, and 3rd was Linda McLaughlin with nett 96.

SENIOR SECTION

FOR week after week Bob Underwood our vice-captain has suffered the indignity of being on the leaderboard and then being pushed down and down as the scores came in until finally dropping off the bottom.

Today he got his revenge and managed to stay at the top until the end. He came in with a creditable nett 72, just easing out Alan Booth and Malcolm Matthews on countback and walking away with the Veterans Cup.

There were seven other prize winners, but there were a considerable number of nil returns, mainly due to a very heavy spell of rain in the middle of the event.

Netball Honiton Juniors

HONITON Netball Club's U13 and U14 teams went to the Exeter & District Junior League pre-season open tournament on Saturday.

Both teams were up against some stiff opposition, however they quickly got into their stride.

The U14 team won three matches convincingly 15-1, 10-3, 7-5 with fine shooting from Georgie Eaton at GA, before coming up against Exeter NC 1st team.

At half-time Exeter led 5-1 but Honiton, under the guidance of C Ellie Marok, the team managed to match the opposition goal for goal but it was not enough and Exeter won 9-5.

The final game against West Exe Jaguars was end-to-end with the lead constantly changing during the first-half before West Exe pulled away to win 7-4 leaving Honiton with a much deserved 3rd placed finish.

The U13 team started off the morning with a 10-2 win over West Exe with Bryony Monaghan at GA hardly missing a shot.

They then went on to win all their matches (16-4, 10-2, and 14-2) and won the tournament overall a great team effort from all the girls: Anna Lamb, Lucy Scrivens, Jordana Mason, Emily Vickery, Grace Haskins, Bryony Monaghan, Robyn Hansford, Lilly Simpson, Charlotte Yorke.

Honiton Netball Club train on a Wednesday at Honiton Sports Centre from 7-8pm and is open to girls in years 7-10.

The club compete in the Exeter & District Junior League and this year are hoping to enter two teams in each age group.

Any local businesses interested in sponsoring our new team kit, or you would like to join the club, please contact, Jenny Kelly jknetball@tiscali.co.uk 07967496168.

Scrum-down rugby round-up

Two sent-off at Sidmouth

WITH KEITH JENKIN

IN conditions that were ideal for open running rugby I took myself off to Chard to see if they could kick-start their campaign in the South West Division.

In fact they did just that, having the better of Cleve throughout and eventually winning 41-0.

SIDMOUTH 45 BRIDGWATER & ALBION 25

THEY say that it is never too early to start winning, and Sidmouth certainly had that thought in the very forefront of their minds on Saturday last, for they had scored four tries before the game was 20 minutes old.

Full-back James Powell made an incursion into the line to set up the first, touched down by winger Sam Meadham, with Whelan adding the extras.

Whelan scored the next one himself, dummieing his way over after the position had been set by Pyne's good carry. He converted his own try and initiated the move that brought try number three, finally touched down by Goss after again good work by Pyne.

Whelan was at the heart of all things good at this stage for, apart from converting all four, he then chipped ahead adroitly for Powell to follow and take advantage of a fumble in the visitors' defence.

Although Bridgwater & Albion must have been wondering just what had hit them at this stage they had managed a couple of penalties and, by the end of the first quarter, the score-line stood at 28-6.

It was hardly surprising that the home side were unable to maintain this level of intensity. The visitors came more into the game as the

half progressed and finally reduced the arrears with an opportunist unconverted try after the bounce of the ball had favoured them.

It was Sidmouth who had the final say of the half however. They scored in the final minute, with Whelan again being the beneficiary after Ollie Pyne and Goss had worked a move down the narrow side of a set scrum.

Whelan, who was to achieve a one hundred per cent success rate in place kicks in the game, converted to take the half time score to 35-11.

Sidmouth could not match their first half efforts after the break and, with their penalty count mounting, their opponents took control.

Eventually Pyne was sent to the bin and, in his absence the visitors scored two tries, both through their pack and both from close range. They converted both to narrow the gap to ten points.

Truth to tell it was Bridgwater & Albion's discipline that let them down. At this stage, and with them really back in the encounter, one of their pack saw red for stamping at a ruck and the balance then swung back in Sidmouth's favour.

Whelan kicked the resultant penalty and goaled his side's final try, touched down by Powell.

There was no way that the visitors could rally from this, the more especially as they lost a second player, sent off for a dangerous tackle just before the end.

BIDEFORD 32 HONITON 11

IN spite of losing in North Devon, albeit to one of the better sides in the division, Honiton will feel that they are making progress.

After soaking some initial pressure by the home side, they broke out and took the lead with an unconverted try by Hannay, scored after his side had attacked down the right before switching the point of attack.

He got over in the left corner and his side led 5-0 after some ten minutes. Bideford got a score back soon after when they kicked a penalty goal and in fact regained the lead by scoring a try after a move down the narrow side from a scrum in the Honiton twenty two.

Honiton did counter this score with a penalty goal of their own, landed by Meadows but were subsequently punished on two occasions when they lost possession and Bideford countered efficiently. One of the home tries was converted and the North Devon side led 22-8 at the halfway stage.

This was not a runaway home win by any manner of means. Bideford did increase their lead with a converted try in the second half, scored by their winger after a chip ahead by his fly half had found no one at home.

They kicked a penalty goal too to complete their scoring, although this was countered by another successful place kick by Meadows.

BIDEFORD 2nd 67 HONITON 2nd 10

FRESH home legs proved to be Honiton's undoing.

For, having travelled with the bare 15, they enjoyed a handy first period against a very useful side, trailing 22-10 at the halfway stage, with all their points coming from Channing

who scored a try, converted it and kicked a penalty goal for good measure.

The home side rang the changes at the halfway stage and ran away with the second half as Honiton ran out of steam.

PREVIEW

HONITON have a game at Allhallows on Saturday next that is pivotal to their whole season in the Western Counties Division.

They take on BUDE who, like them, have not enjoyed a good start to the season, although they comprehensively beat a weakened Exeter Saracens side last time out. A win for the Allhallows side will do wonders for their confidence and I think that they will get one.

SIDMOUTH have had a rather mixed league season so far and they have something of a toughie when they take on WADEBRIDGE CAMELS, a side with a rather large and lumpy pack of forwards.

The game is likely to become a bit of an arm wrestle but, if the Blackmore side can hold their own up front, they have the backs to pose problems.

As to the second sides, Honiton seconds will certainly be extended when they visit their Crediton counterparts, while Sidmouth seconds will find hybridise seconds a competitive bunch. Sidmouth thirds take on Tiverton thirds at Sidford.

FIXTURES - 6TH OCTOBER

Newton Knights U11s 6 Seaton 7
SEATON Town Under 11s travelled to Newton St. Cyres to play Newton Knights in their second league game of the season.

The game started slowly with Seaton not playing particularly well and the hosts took the lead.

Seaton then quickly equalised though an Edward Kenworthy goal and then the game burst into life with the Knights scoring a further two goals and Seaton also netting twice through Kenworthy and Reece McCabe to be level at 3-3 at half-time.

In the second-half Seaton upped their game and scored a further four goals, one for Kenworthy and three for McCabe and were leading midway through the period 7-4.

They conceded a further two goals but held on for a narrow 7-6

win.

A SUPERB Man-of-the-Match performance from goalkeeper Kieran Downton helped Millwey Rise to a hard-fought win over league leaders Perry Street.

MILLWEY Rise U12's trip to Ottery St Mary turned into a goal fest with the lead changing hands several

times.

Ben Rosling put the visitors ahead only for the Saints to edge ahead 2-1.

Back came Millwey and a double from Chris Watson saw them back in front at 3-2.

Ottery leveled but Millwey took control thanks to goals from Rosling, Sopphie Sharpe and Charlie Bye, after a long jinking run, to lead 6-3.

Ottery weren't finished and reduced the deficit to 6-5 before Sharp added here second for what proved to be the winner.

Running round-up

Stephen completes century

HONITON RUNNING CLUB

with Judy Davey

THREE Honiton Running Club members took part in last weekend's **Bristol Half-Marathon** over a relatively flat course that gave the potential of producing personal best times.

The race starts outside Bristol and takes the runners out of the city to Clifton. The runners run under the famous Clifton suspension bridge and out along the River Avon.

Both Ian Stewart and Graham Reeves managed to finish in under 90 minutes. Ian finished first in 87 minutes 23 seconds with Graham not too far behind finishing in 89:43 which is a pb of over 2 minutes.

Roger Saunders' time of 1:43:11 was fairly slow for him due to the lack of training but he enjoyed the run.

Honiton RC's very own race is coming up soon on Sunday, 14th October in the form of **'The Cotleigh Canter'**. There are three distances on offer; a 5k, a 10k and a 3k fun run which is mainly for children aged nine and over although younger children can run with an adult.

This is an opportunity for everyone to take part, irrespective of running ability.

For further information, and to download an entry form for the races, visit www.honitonrc.com.

You can also enter on the day - all

profits from the event will be donated to local causes.

♦ MANY people who enjoy a challenge set themselves the goal of completing a marathon writes John Burgess.

Running 26.2 miles hard work and a great achievement but last week Honiton Running Club's Stephen Boyce completed his 26,200th mile in 100 marathons when he crossed the finish line at New Milton in The New Forest marathon.

His marathon running started back in 1990 in Marakesh of all places and then had no thought of aiming for a hundred, but marathon running got into his blood and as the years went by he kept ticking them off.

Three years ago he realised that the magic figure of 100 was just over the horizon and put in a concentrated burst to reach that amazing goal.

Apart from Marakesh he has run marathons in Berlin, Rotterdam, Helsinki and Venice as well as doing the London marathon several times.

His best time stands at 2:36 that would have placed him in the top 100 of this year's London Marathon.

His toughest run was the Snowdonia marathon which has three fierce climbs, but he has also done 132 mile Forces March from Ilfracombe to Bulford Camp three times.

This raises money for forces veterans and takes place over five days, which is more than a marathon a day.

Stephen says he will keep on doing marathons and start to do more ultra events (over marathon distance) but he has no ambition to go for 200.

What's his secret for would-be marathon runners? "Follow a proper training programme but run to keep your heart-rate below 150, then you are more likely to get through the 26 miles without hitting the wall."

LIAM Roberts competed in the **World Age Group Duathlon Championships** in Nancy, France within the Male 20-24 category, last Sunday.

The run-bike-run race covered distances of 10km, 37.5km and 5km, respectively.

Liam quickly moved to the front at the start of the first 10km course, and completed it a minute ahead of the next competitor in the 7th fastest time of all categories, 33:45.

On the bike, he held the lead for just under two of the five laps on a technically demanding bike course, with over 90 corners within the 37.5km. However, he came off the bike sec-

tion in 6th position in 1:03:05 with the leader just over a minute ahead.

After a kilometre of the second run, Liam had moved up to third when he was struck with a crippling pain in his side which brought him to a halt, losing four minutes.

He managed to carry on and finished 10th in 2:00:58 (including transitions) with 22:17 for the final 5km run.

Liam said that he was disappointed with this result but, on reflection, found it valuable experience to lead a high quality field for half the race and in calculated race pacing.

♦ EMMA Kiernan enjoyed the popular **Bristol Half Marathon** on Sunday. She was pleased to achieve a PB in 1 hour 54 minutes coming 4376th overall.

♦ TOM Scriven celebrated his 80th birthday by running for 24 hours on the track at Axe Valley Community College and raising funds for Devon Air Ambulance. He completed his target of 80 kilometres (200 laps) after 18 hours.

After a short rest and refreshments he carried on round another 30 laps to cover a total distance of 92.5 kilometres, which is 57 miles.

Tom said that he was overwhelmed by the support of the many Axe Valley Runners who kept him company throughout his challenge.

AVR member Dave Kelf completed 54 miles and barefoot runner John Woodward did an amazing 80 miles.

Special thanks go to Robin Cross for all his help in staging the event.

♦ THE new seven-mile **Minster Challenge** will be held next Sunday at 10am at the Axe Valley Community College.

There is also a three-mile Fun Run. More details can be found on the College website.

Boules Axe valley

THE last match of the season saw Golden Hind B and Whitford Warriors contest the final of the Whitbread Cup at Seaton Town FC, with Hind B looking to recover from getting humiliatingly turned over by the Golden Wonders in the 'World Championship of Musbury' the previous weekend.

The match started with Kathy from the Hind taking on Peter from the Warriors. Peter quickly built up a 4-0 lead, but was pegged back before an exchange of threes put Kathy 8-7 ahead. This became 8-8, and the Hind were holding shot until Peter's final boule snatched the end.

Game 2 pitted Terry of the Hind against Bill of the Warriors. Terry had no answer to Bill's accuracy, and Bill ran out a 9-2 winner to put the Whitford side 2-0 up.

It was time for the Musbury side to get started, so who better to get the boule rolling than Whitford resident Tim, up against Warrior Keith T. Steady scoring put the Hind firmly in the lead, with Tim running out a 9-2 winner.

Game 4 saw Golden Steve take on Whitford Chris, and Steve was indeed golden, with two threes swiftly helping establish a 7-0 lead, converted to a 9-2 victory a few ends later. The match was now level at 2-2.

For the penultimate single, Paul of the Hind squared off against Keith C. The Hind were now on a roll, and it was another runaway success, this time with a 9-0 whitewash.

This left the two captains to battle out the final game; a win for Gerard of the Hind would secure the trophy, whilst Warrior Paul looked to take the match to a deciding triple. Gerard sneaked a point at the first end, before some wayward throwing gave Paul the opportunity to score the maximum at the following end, and he duly obliged.

The game continued with an exchange of single point ends, before the Hind's hands finally warmed up, and delivering a couple of twos to put them on the verge of victory. A final point at the last end resulted in a 9-6 win for Gerard; Golden Hind B had won the cup 4-2, and completed a quartet of trophy wins for the season.

For Whitford Warriors, it was a quartet of a different kind - four losses in finals in the past two seasons. Special thanks go to Chairman Charlie and John for refereeing, and to Seaton FC for hosting the night and providing the food afterwards.

Hockey Honiton

Honiton Hornets 4 ISCA V 1

HONITON Hornets put in a great all-round team effort especially in midfield, where several players were out of normal position this week.

The team got off to a strong start when Lydia Cox pounced on a rebound before finding Katrina Tucker who slotted home.

The second goal came after a magnificent run from Tucker who dribbled the ball down the field, around several players and with a reverse stick beat the keeper.

Tucker then completed her hat-trick before ISCA fought back at a short corner leaving the score 3-1 to Honiton at the break.

The final goal came as an excellent piece of teamwork, with good communication and perfect positioning, allowing Jean Herniman to slot the ball into goal.

Mention must go to Vanessa Trude who has had three excellent games in goal, and is expected back up front in the following weeks.

PLAYER-OF-THE-MATCH: Katrina Tucker.
